Here's information about the location:

Parking:

You will enter the main parking lot...it has 98 parking spaces + a few handicap spaces and a couple of compact spaces.

There is a second parking lot off of Pine Knoll Drive which you will have passed just before turning left into the main parking lot...

this parking lot is used mostly for swimmers and those going to an event at the club house...we can use as overflow parking if the main lot and street parking fill up...there are 32 parking spaces.

Street parking is available on both sides of Pine Knoll Drive and both sides of Golden Rain Road...I'm sure we can park an additional 50+ cars on the streets, if necessary.
