46th Cinderella

After a 2-year hiatus due to the Covid pandemic, the 46th Cinderella came back to the Tri-Valley with a bang! On the morning of April 9, over 1000 Bay Area women, the Cinderellas, donning bright multi-colored costumes and headpieces, gathered at Las Positas

College in Livermore. They were greeted by dozens of Prince Charmings and treated to hot coffee, tea, fruits and bagels. The sky was blue and the temperature was a perfect 70 degrees F! The man who orchestrated this whole show was our own veteran cyclist, Jim Duncan. **Note:** Our dear friend, VSBC member and cyclist extraordinaire Jim Duncan, passed away unexpectedly on July 3. There will be an event to celebrate Jim's life on August 13th. More details will be available closer to the date.

President's Message

Hello fellow cyclists. It's hard to believe another three months have gone by since our last newsletter! And what a quarter it has been for VSBC! It started off with the Cinderella ride on April 9, with over 1,000 registered riders! I heard nothing but good things from all the riders. A huge thanks to all the volunteers and participants who made it such a successful event! We kicked off May with our spring picnic. Thanks to Bonnie and Bob Powers for hosting such a wonderful event. It was great to meet and talk to many of the members while being stationary instead of catching a few words while on a ride! This quarter we also hosted a Zoom meeting with both candidates running for CCC Sheriff. The meetings gave us an opportunity to voice our concerns about bicycle safety. Mark Dedon and the Mt. Diablo Challenge volunteers are already hard at work planning this year's event. If you happen to ride up Mt. Diablo and notice some signs that remind you about road safety or notice that the cracks in the road have been patched, you can thank the VSBC MDC team for their efforts! On the cycling front, we are seeing increased participation on the group rides. We also have some new ride hosts. Thanks to Milinda, Cynthia, David, Randy, and the existing ride hosts, for taking us to different parts of the tri-valley and beyond. For those of you who haven't yet participated in a group ride, I am sure you will find a ride of your liking and I encourage you to join in whenever you can. I look forward to seeing you on the road soon!

for training for the Cinderella (100KM and 100 Miles) is more fun in a group! That's why the Feather Pedals Conditioning Ride Series was created. From January through April, the women (and men) rode from 25 to 50 miles to get ready the Cinderella. On April 2, they completed the final ride and celebrated at Beeb's with lunch and cupcakes! Congratulations on another successful Feather Pedal season!

Scenic Rides

In addition to regular weekly rides in the tri-valley, club members organize scenic rides in the Bay Area from time to time. These rides offer members of different riding skills with the chance to enjoy the unparalleled beauty of our area on their bikes. This

potato salad, beans and cookies, conversations, and bocci ball game all helped to make it a perfect picnic day! Thank you Bonnie, Bob, Jon, and Carrie!

Donations to Mt. Diablo State Park To Make Roads Safer

In April, on behalf of VSBC and Trek, the club's MDC champions Mark Dedon and Jim Duncan made a donation of 12,000 pounds of asphalt to the Mt. Diablo State Park, using the proceeds from the 38th Mt. Diablo Challenge. The club also made a cash donation to the Mt. Diablo Interpretive Center. These donations have just one purpose: improving bicycle safety on

Mt. Diablo. These are some of the many ways that VSBC and Trek are helping make Mt. Diablo safer for cyclists.
